Dear Valued Customer,

Elkhorn Valley Packing (EVP) will continue to follow and comply with all Country of Origin Labeling (COOL) laws. EVP requires livestock affidavits from all livestock suppliers. Elkhorn Valley Packing will convey country of origin through labels and by stating as much on the Bills of Lading. If the product meets the COOL definition of U.S. origin (born, raised, and slaughtered in the U.S.) then "Product of USA" will be on the box label and Bill of Lading. The majority of beef produced at Elkhorn Valley Packing is Born, Raised and Slaughtered in the USA.

If you have any questions or concerns, please contact a member of our sales team.

Regards,
