Dear Valued Customer,

The MCOOL regulations are requiring all packers to receive affidavits from livestock suppliers to document the livestock's Country of Origin and to forward that information to its customers. Elkhorn Valley Packing will display the Country of Origin information on the label of every box. The Country of Origin will also be included on every Bill of Lading. The statement will read Product of USA, Product of USA, Mexico, Product of USA, Canada or Product of USA, Canada, Mexico. The majority of beef produced at Elkhorn Valley Packing will be labeled Product of USA.

If you have any questions or concerns, please contact a member of our sales team.

Sincerely,
